

The mandate of
Sinclair
Broadcasting to
require their
stations to air an
anti-Kerry
documentary before
the election is
troubling to me.

Will equal time be
given for a
pro-Kerry
documentary or
newscast? It is my
understanding that
television stations
are required to give
equal air-time to
major opposing
candidates. This is
clearly a partisan
political broadcast
and should either be
canceled or equal
time given to the
Kerry campaign in a
primetime slot.

Sincerely,
Terrence Demos
